PEO Engineering – New Student Assignment

Ofsted Outstanding Provider

NSCG NEWCASTLE AND STAFFORD COLLEGES GROUP

TASK

Welcome,

Congratulations again on receiving a conditional offer a PEO Engineering course at NSCG Stafford College. We hope that you enjoyed the recent Experience day with the Engineering team.

In order to introduce you to your course and to start preparing you for learning at the college, we would like you to attempt some short tasks for you to complete over the summer.

Deadline: GCSE results day – Thursday 12th August 2021.

Deadline: GCSE results day, Thursday 25th August 2022. Please email your work to ge2admin@nulc.ac.uk (please save the document with your name and course in the title).

We look forward to seeing you again on GCSE results day.

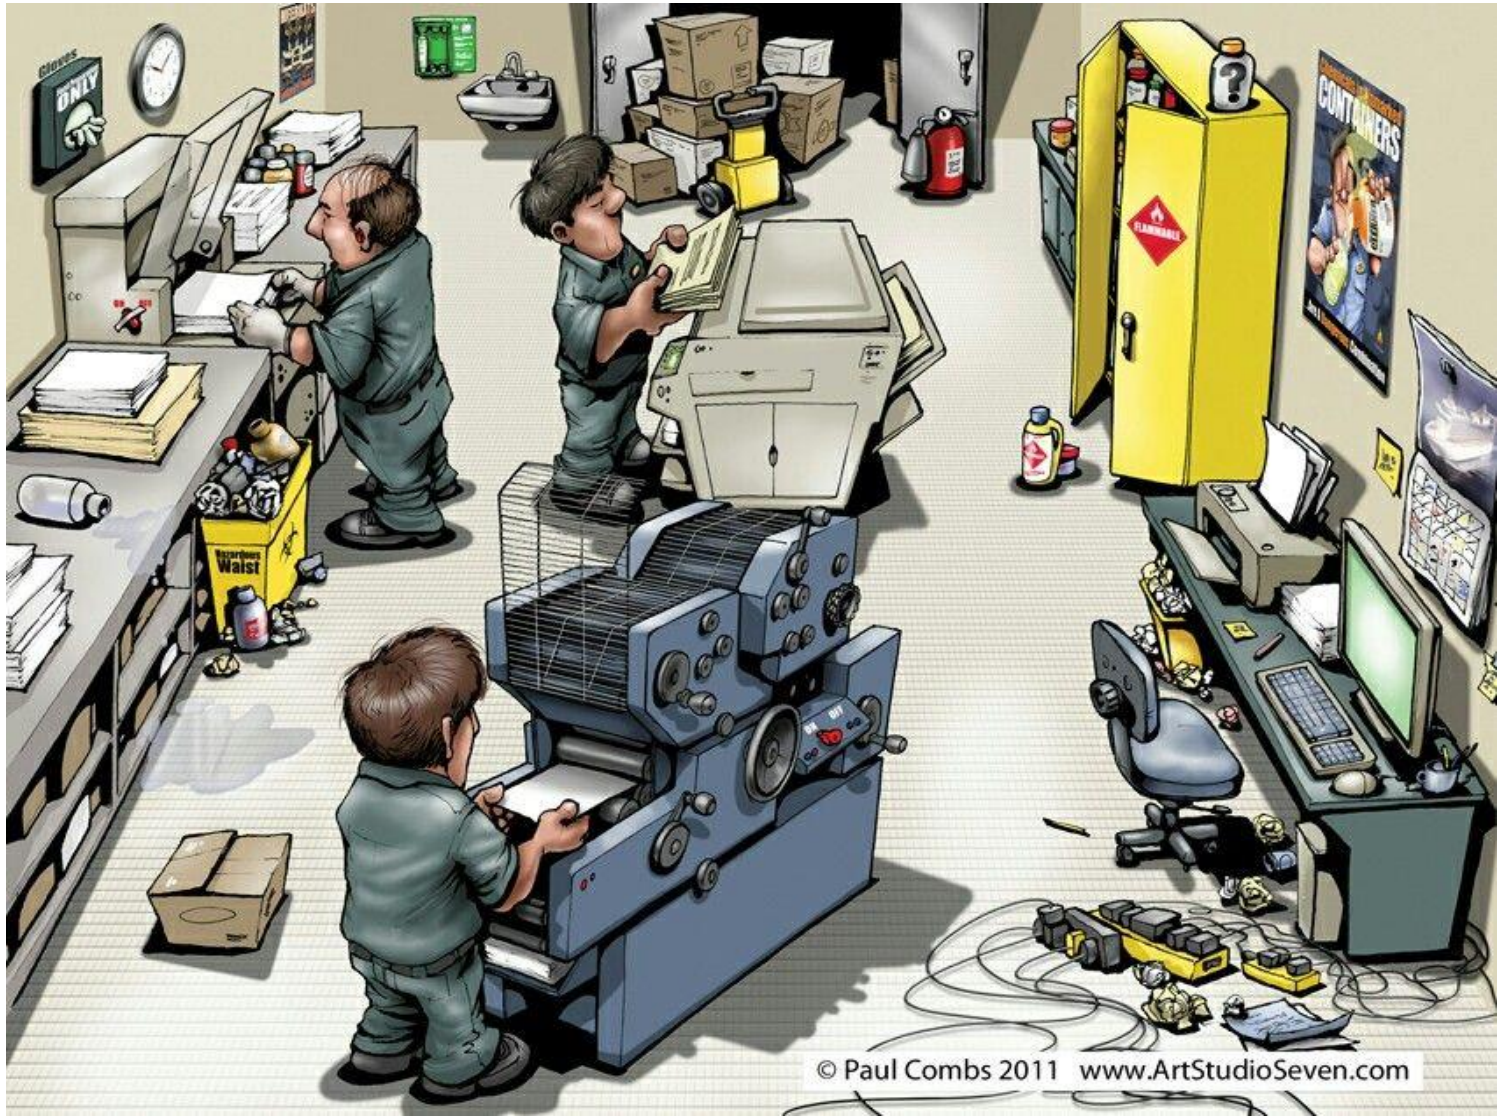
TASK



Study the drawing and identify 6 hazards.

1. On the next page, write a short description of what each hazard is and state how it could be avoided.

2. Count up how many hazards you can find and record the total.
