24–29 October 2027 | 5 Nights / 6 Days

DAY 1 | SUNDAY, 24 OCTOBER 2027

Discover the Cape Peninsula

Your Cape adventure begins with a full-day guided tour of the Cape Peninsula. Travel along some of the region's most scenic coastal routes, taking in beautiful ocean views, dramatic landscapes and charming seaside communities.

Visit Cape Point, located within the Cape of Good Hope section of Table Mountain National Park, where rugged cliffs and sweeping ocean views make for an impressive introduction to the peninsula. The return funicular ride is included, helping you reach the upper viewpoint without walking the entire uphill route.

Continue to Boulders Beach, famous for its resident African Penguin Colony. Enjoy time to observe these fascinating birds from the designated viewing areas before stopping for lunch at a local restaurant.

After the tour, transfer to The President Hotel to check in and settle into your accommodation. The remainder of the evening is at leisure.

Walking & activity level: Moderate. Some walking is required at Cape Point and Boulders Beach, including uneven paths and steps. The funicular reduces the uphill walking at Cape Point.

Meals: Lunch included

Overnight: The President Hotel, Cape Town

DAY 2 | MONDAY, 25 OCTOBER 2027

A Taste of the Cape Winelands

Spend the day immersed in the Cape Winelands, where mountain-framed vineyards, historic estates and celebrated cuisine capture the region's distinctive charm.

Travel to Franschhoek, a charming town with a strong French Huguenot heritage and a reputation for outstanding food and wine. Enjoy a ride on the famous Franschhoek Wine Tram, a relaxed way to explore the valley and its vineyards while taking in the surrounding scenery.

Your wine experience includes visits to selected wine estates, with tastings and pairings planned at Rickety Bridge, Grande Provence and Klein Goederust. At Rickety Bridge, enjoy a Basilei and wine pairing; at Grande Provence, experience a curated selection of wines; and at Klein Goederust, discover another perspective on the region's wine offerings. A nougat pairing is also included as part of the day's tasting experience.

Pause for a three-course lunch in Franschhoek before returning to Cape Town in the afternoon. The evening is free to relax or explore the city at your own pace.

Please note: Wine Tram departure times and the final sequence of wine estate visits are subject to availability at the time of booking.

Walking & activity level: Easy to moderate. The day involves some walking around wine estates and boarding or disembarking from the tram. Standing for tastings may be required.

Cape Malay Traditions & Langa Cultural Heritage

"It's undeniable that to truly know a place, you need to experience its culture."

Experience Cape Town beyond its well-known landmarks with a day exploring the city's rich cultural heritage, local traditions and community stories.

Begin with a Cape Malay cooking and cultural experience, discovering the distinctive flavours, spices and culinary traditions that form an important part of Cape Town's heritage. This hands-on experience offers an opportunity to learn more about the people and influences behind the cuisine.

In the afternoon, head to Langa, Cape Town's oldest established township, for a guided historical and cultural tour. Learn about the area's history, its communities and the impact of South Africa's past on everyday life today.

The experience includes tastings of homemade ginger beer and traditional fat cakes or roosterkoek, as well as visits to a sangoma and migrant hostels, providing further insight into local customs, livelihoods and community life.

Later, enjoy light refreshments at Mzansi Restaurant, accompanied by a marimba band, before returning to the hotel.

Guests should feel at ease exploring local neighbourhoods, where they'll often be welcomed by friendly residents. Their visits also offer a meaningful way to support the local economy and contribute to the community.

Walking & activity level: Moderate. Expect walking through community streets and some uneven surfaces. The tour may involve steps and standing during visits.
