Details of the Barclays Business Bond are available from branches. I consequently applaud them to you. (A notably fatuous section of the Act, s 286 calls for that the secretary of a public firm ought to either be a member of one of a list of identified bodies or at least be capable of doing the job properly.). If we allow that such points as these can be done the repercussion is that any investor when he really feels a bit unstable, can offer his organization to a firm composed merely of his own candidates, and also as under the Business Acts the responsibility of the members of the business is limited, he can then dive right into the most negligent speculation, and when his financial institutions come down upon him they merely take the possessions and also he is not liable personally for the financial debts.' The Court of Charm said: That will certainly not do.
