- 00.22 SIR DAVID CHIPPERFIELD
- 00.24 VARIOUS OF JURY PICKING THE SHORTLISTED PROJECTS
- 00.29 EXPERT REVIEWING PROJECTS ON-SITE
- 00.35 SOUNDBITE (ENGLISH) BEKIM RAMKU, TECHNICAL REVIEWER, SAYING:
“Technical reviewers visit the site of the shortlisted projects and what we do is we interview the architects, we interview all the stakeholders, users, the mangers, the surrounding neighbors and we try to find out as much as possible about the quality of the building. When we speak about the quality of the building it is not only the physical site but also the social impact of the building on its immediate neighbor but also on the city and the country.”
- 01.05 MORE OF EXPERT TALKING TO ARCHITECT AND LOCAL PEOPLE ON-SITE
