

PRODUCT INFORMATION SHEET

TETRION MOULD AND MILDREW REMOVER

DESCRIPTION

Tetrion Mould & Mildew Remover kills and prevents mould, algae and fungus growth. No toxic bleach or caustic agents, so it's safe to use on ceramic tiles, grout, shower stalls, bath tubs and dish racks.

APPLICATION

1. Remove the mould and strip back to bare bare surface, removing any loose material by washing with warm, soapy water.
2. Shake the bottle and turn the nozzle to 'on' position.
3. When the surface is dry, spray on and rub the surface with a brush or a sponge.
4. Allow to dry thoroughly before decoration.
5. Always store and transport the trigger bottle in a secure and upright position.

Note: Always test product the product first on an inconspicuous area to confirm suitability.

AVAILABILITY

- 500ml- TMO500

**DISCLAIMER**

This Product Information Sheet does not constitute to any extent a fitness for purpose warranty or a quality specification. It is intended to be indicative only of the general characteristics of the product(s) and may not be relied upon (in whole or in part) in substitution of nor as a supplement to any of the information and/or instructions and/or warnings set out on the product(s) and/or on any packaging and/or in the relevant Safety Data Sheet (which is available on request).

Neither of the publisher of this Product Information Sheet or the product(s) manufacturer accepts liability for the failure of any person to observe and follow the information and/or instructions and/or warnings on the product(s) and/or on any packaging and/or in the relevant Safety Data Sheet.

Any person selecting and using or causing the product(s) to be used for a specific purpose or any third party recommending the product(s) for a specific purpose without in either case first making all appropriate inquiries as to the suitability of the product(s) for the intended purpose does so at his/her/their own risk and no liability is accepted by the publisher or the product(s) manufacturer for any consequent loss, damage or injury, other than such liability as may not (by operation of law) be excluded.

This Product Information Sheet does not apply to the use of the product(s) in any combination or with other products or materials.

Users of a product or products marked "For Professional Use Only are deemed to declare and acknowledge for themselves professional levels of skill, knowledge, competence and experience in the selection and use of such product(s).

Product Information Sheets are updated from time to time and inquiries should be made on a regular basis to ensure that this is the latest version available.
