

Information for bidders and buyers on AML ID Requirements

Under the **Money Laundering, Terrorist Financing and Transfer of Funds (Information on the Payer) Regulations 2017** (“the ML Regulations”), we are obliged to carry out more extensive verification checks than has previously been the case.

We will need to see evidence of identity for (i) the successful buyer; (ii) and, if different from the buyer, the successful bidder; (iii) and, if different from either of those, the provider of funds for the deposit and/or the Buyer’s Fee if appropriate. If you bid as agent or representative for the Buyer, you will also need to provide us with written evidence of your authority to act in such capacity.

The table below sets out a guide to the identification documents usually required. If the capacity in which you propose to purchase is not shown, please discuss with a senior member of our auction team as soon as possible before the auction. We may in addition to requesting documentary evidence undertake third party electronic identification verification which may leave a ‘soft footprint’ on your credit file.

Any personal data obtained for the purposes of complying with anti money laundering regulations may only be processed for the purposes of preventing money laundering or terrorist financing.

Please note that in order to ensure we fulfil our statutory duties under the ML Regulations, the Auction Conduct Conditions (available to download at www.allsoP.co.uk) enable the contract to be ended if the required documentation is not supplied. Please see extra Auction Conduct Condition A6.3 in this respect.

Note: “ID” means

- 1. Photo ID** e.g. passport, driving licence card;
- 2. Proof of residential address** eg council tax bill, bank statement.

All ID must be original documents and must be current

Who		Requirements
Bidder <i>(the individual bidding at the auction)</i>		<ol style="list-style-type: none"> 1. ID relating to the bidder 2. If you are bidding as agent for the buyer, written proof of your authority to act as agent
