Manchester High School for Girls

A Manchester High School Girl is known by her confidence and compassion. She is bright and passionate with a love of learning and is ambitious for herself and others. She is a kind, caring, well-rounded individual who wants to make a difference.

Our girls are remarkable.

Mrs Helen F Jeys – Head Mistress

At MHSG, we have been helping pupils achieve their potential since 1874 and have educated many women, who have made significant changes to our world. We are proud of our reputation for academic excellence but recognise that our extra-curricular opportunities and caring ethos are equally important in supporting our pupils as they become outward looking and forward- thinking young women.

Wellbeing is a priority and we help pupils develop an awareness of their own value as well as their responsibility towards others. We encourage our pupils to develop character; to build resilience, self- confidence and self-esteem so that they can flourish as individuals. We encourage them to aim high and be 'risktakers', embracing the importance of failure and viewing challenges as steppingstones to future progress.

We believe these qualities are fundamental for happiness and success both at school and in the world beyond Manchester High.

Our pioneering alumnae epitomise our approach. From the Pankhurst sisters who fiercely campaigned for women's voting rights, through to today's leaders, such as Deputy Political Editor of ITV News, Anushka Asthana, Catherine Mayer, Cofounder of the Women's Equality Party and Dr Kotska Wallace, Principal Engineer at the European Space Agency, our pupils go on to make a real difference.

Manchester High School for Girls does indeed have a long and distinguished history but we strongly believe an even more exciting future lies ahead.

Manchester High School for Girls

Manchester High School for Girls is one of the leading independent girls' day schools in the country. It is a selective, academic school and is amongst the top schools nationally.

For over 150 years, Manchester High School for Girls has taken pride in giving girls an academic education of the highest quality. Founded in 1874, the School has made a pioneering contribution to the development of women's education. All three of Mrs Pankhurst's daughters were educated here. The School takes its inspiration from its traditions and continues to produce students who distinguish themselves in many professions, becoming role models of successful and influential women. The character of the School has also been shaped by its accessibility to girls from a wide variety of social, cultural and religious backgrounds so that a community has developed which both values individuality and promotes tolerance.

The School is a nondenominational, independent day school, which has charitable status. It is also a member of the Girls' Schools Association and of the Association of Governing Bodies of Independent Schools. Since 1893, the School has provided means tested financial support for a significant number of girls. A range of school bursaries is currently offered in order to make places available to those from low income families, and currently approximately 10% of girls in the Senior School are in receipt of some form of financial assistance.

The girls are drawn from a broad geographical area including Greater Manchester, Cheshire, Derbyshire and Lancashire. Special buses transport most of the girls to school and there is a supervised 'girls only' bus serving both the preparatory and the senior girls who live in the Hale, Altrincham and Bowdon areas. Admission to the Senior School is by examination and interview. Entry to the Preparatory School is from the age of three and sometimes occasional vacancies are available for entry at other ages.

Admission is selective by means of an assessment for infants and an entrance examination in Mathematics and English for the juniors.

The Senior School caters for girls from eleven to eighteen and the Preparatory School provides for girls from three to eleven. Most girls in the Preparatory School progress into the Senior School. The majority of our eleven year old entrants, however, are drawn from many other schools, both independent and maintained primary. Some are admitted at sixteen to pursue Sixth Form courses.

The Curriculum and Timetable

Upon entry, girls are placed in one of four parallel form groups in which they are taught for most subjects, although setting is implemented in some subjects. All follow an extensive, strongly academic programme of study, culminating in outstanding examination results at GCSE and A-level.

The School offers a wide choice of subjects at A-level and GCSE, with over 20 subjects offered at each level. Girls take the equivalent of nine or ten GCSEs, followed by 3 A-levels in the Sixth Form. Almost all leave to pursue a degree at a university of their choice and, each year, a significant number gain admission to Oxford or Cambridge.

Pastoral Support, Care and Guidance

Highly effective systems of student support have been established where the roles of the Form Tutor, Head of Year and Head of Section are pivotal. The work of the pastoral team is greatly enhanced by the School Nurse and the School Counsellor. Other key staff who contribute to the provision of pastoral support, care and guidance include the Director of Sixth Form, a SENco, Well Being Coordinator and Head of Careers. Administrative support for the work of the Deputy Head (Pastoral Care), Heads of Section and the Heads of Year is provided by the Pastoral Secretary.

Current staffing

The Head's Personal Assistant is also the Office Manager and there are 14 other ancillary staff supporting the offices of the Head and the Director of Finance & Operations, as well as providing administrative assistance for the teaching staff. In addition, there is an Estates Manager and six maintenance staff.

Extra-curricular activities

There is a wide variety of extra-curricular activities, which are well supported by girls and teachers. Many take place at lunchtime but, in addition, there are numerous theatre visits and field trips which offer the opportunity for students to develop and follow their interests and talents in music, drama, sport and academic areas. Every year there are drama productions and music festivals; the School's performance activities have an excellent reputation. There is a full schedule of sporting fixtures including netball, cross country, hockey, athletics, tennis, rounders, swimming and water polo. All girls in Year 7 attend a residential induction course and there are regular opportunities to participate in sport tours and other trips abroad.

Development and Marketing Department

The School's Development and Marketing Department is split across the two functions. The marketing side of the team is responsible for overseeing anything related to the Manchester High School for Girls 'brand' and promoting what is on offer here to prospective parents and students through advertising and PR. The team also maintain the School's various social media platforms and website.

The Development aspect of the department's work involves maintaining links with over 4,000 members of the School's alumnae community and raising funds for the School's Bursary Fund. The team is heavily involved in organising a number of flagship events in the Manchester High calendar, including the annual Founders' Lecture. The links the department has are vital in enabling the School to build close working relationships with the Manchester business community and the team also supports the Careers Department by managing Project Pankhurst (our alumnae mentoring scheme for Sixth Formers) and the 'Insight Into…' careers panel events.

Inspection and Future Plans

The Independent Schools Inspectorate (ISI) conducted an inspection of Manchester High School for Girls in September 2024 and the School was found to be fully compliant with all of the regulatory requirements.

A strategic development plan, which runs from 2024-2027, is in place. The School is continuing to work to maintain a culture in which learning is preeminent and in which change is welcomed in the pursuit of improvement.
