

Declaration

Henrie's Empowerment for Awareness and Life (H.E.A.L)

We, the undersigned representatives of Henrie's Empowerment for Awareness and Life (H.E.A.L), hereby declare our intention to apply for funding from the Newport City Council Shared Prosperity Fund (SPF) for the financial year 2025/26. This declaration confirms our organisation's commitment to delivering a project that aligns with the SPF's "Communities and Place" investment priorities and Newport City Council's vision of an 'Ambitious, Fairer, Greener Newport for Everyone'.

Organisation Details:

- Name: Henrie's Empowerment for Awareness and Life (HEAL)
- Tagline: To educate and raise awareness on sexual reproductive health and rights
- Legal Status: Non-Registered Community Group with a constitution and group bank account if applicable
- Contact Email: henrie.umoren@gmail.com
- Address: 28 Henry wood Close, Newport. NP19 9SY

Project Overview: HEAL seeks funding to implement a community-focused initiative aimed at educating and raising awareness about sexual reproductive health and rights among vulnerable individuals in Newport, Wales, including young persons, women, and men. The project will deliver targeted workshops, awareness campaigns, and resource distribution to empower these groups with knowledge and access to essential health information. Our activities will enhance social fabric, promote inclusivity, and build resilient, healthy communities by addressing critical health education needs.

Alignment with SPF Objectives:

- **Communities and Place:** Our project supports Newport City Council's SPF priorities by fostering social ties through community-based education and awareness initiatives. By equipping vulnerable individuals with knowledge about sexual reproductive health and rights, we aim to enhance local pride, promote equal opportunities, and contribute to healthier, safer neighbourhoods.
- **Local Impact:** The initiative will target underserved communities in Newport, addressing gaps in health education and supporting the council's 2022-2027 strategy to create a fairer and more inclusive city.
- **Sustainability:** The project will collaborate with local partners, such as Newport's Community Connectors team and other voluntary organisations, to ensure long-term impact and community engagement.

Eligibility Confirmation:

- HEAL confirms it meets the eligibility criteria for SPF funding, including operating as a non-profit or community group with a constitution and a group bank account if applicable.
- We commit to delivering the proposed project between April 2025 and March 2026, in line with SPF transitional year guidelines.
- All project activities will be conducted within Newport, Wales, and will comply with the council's reporting and evaluation requirements.

Declaration: We declare that the information provided in this application will be accurate and complete to the best of our knowledge. We commit to using any awarded funds solely for the purposes outlined in our project proposal and in accordance with the grant guidelines. HEAL is dedicated to working collaboratively with donors and local partners to deliver meaningful outcomes to the community.

Signed: Henrietta Umoren,

Project Manager
