One-piece, high impact, moulded polymer construction. Integral tool trays and padded headrest. 6 x 75mm diameter wheels. Wipe clean surface. Integral carry handle. L x W x H: 920 x 420 x 70mm.

We like...

- ▲ One-piece, easy clean construction with carry handle.
- ▲ Comfortable in use.
- ▲ Integral tool trays to hand.
- ▲ Castor composite material rolls well.

Also worth considering...

- ▼ Narrower than the Sealey and Draper versions.
- ▼ Neck/head support padding could be bigger.
- ▼ No locking castors.
