ASSESSMENT

THE GAME

Because variety in assessment is important for constructive alignment to our outcomes and the skill development and motivation of our students

PLAYERS GUIDE

1

Shuffle the assessment mode cards. Deal out three to every player.

2

Place the assessment mode cards in order, "most likely to be used in my programme at the top, least likely at the bottom!"

3

Discard the top card (the most likely one) and place it back with the unused cards

4

Shuffle the six assessment purpose cards. Turn one face up on the table.

5

Create an assessment using one of the two modes in your hand that support the purpose e.g. A game to develop employability skills in [insert area]

6

Discussion in small groups your solutions and share best practice. Share best ideas to the whole group
REPEAT.

Required: Assessment Mode Cards (Blue), Assessment Purpose Cards (Red)
