

You just look like you've got a tan.
Do you have hair under your hijab?
Do people eat insects in your country?
I just don't see colour.
I don't think of you as black.

**Call it
racism.**

I've been excluded from group work
for the whole course.

I've tried to join in the discussion but
have been completely ignored.

Taxis have opted to pick up someone
else when I've hailed them first.

Being made to move departments after
'annoying' a white colleague.

Marginalising the impact of anti-Muslim
bias at universities.

Downplaying the importance of funding
BAME-related projects.
