

FISZYME BOE

Description

Fiszyme BOE rapidly neutralises and eliminates odours without using odour-masking or harmful chemical oxidisers and contains a powerful combination of fast-acting neutralisers and adapted bacteria for degradation of organic compounds providing rapid and long lasting odour relief.

Fiszyme BOE eliminates odours by attacking and degrading the organic source of the odour and is formulated to eliminate odours in garbage and waste storage areas, rest rooms, galleys etc.

Features

- Fast acting environmentally friendly odour control
- Deep cleaning microbial action Water based neutral odour control
- Fiszyme BOE enhances the activity of the natural bacteria
- After odour elimination the odour causing compounds are biodegraded by the bacterial strains

Environmental

Dispose of chemicals in accordance with local environmental legislation.

Handling

Normal precautions should be taken for handling chemicals.
Protective clothing, eye protection and gloves should be worn.
For further details please refer to the safety data sheet.

Properties

Appearance: Blue, Liquid
Density @ 20°C: 1.06 -1.09
pH (concentrated): 6-8

Shelf Life

Storage: 24 months

Available in the following containers
