

Thank you for booking in to attend AllFord at Alford on Sunday 23rd August, we can't wait to see you!

Final Instructions:

Entry to the site is via Gate 6, which is the second right in the village when you come in from Aberdeen and next to the Alford Valley Community Railway building (this will also be signposted, and is the same gate used to enter our other events if you have attended as an entrant before). Please be mindful that you will be crossing a railway line (stop and look before crossing) and follow marshal instructions.

You will be checked off by your surname, please give this to our team at the gate. Entry is included for yourself and one other to the event, any additional passengers will be charged for at £8 per head for an adult, £2 for a child – please have this to hand if necessary.

Entry onto the site is from 7.30am-10.30am, and you will be directed by a marshal to your parking location. Club stand vehicles will be in club stand areas, and if you are not with a club stand, but are being judged, you will be arranged by judging classes. If you are not being judged, you will be directed to the general display area.

All vehicles must be in position by 10.45am so the public can be admitted on time at 11.00am. Please note that if you are not on site before 10.45am, you will not be admitted and need to park in the customer car park.

You will be given your entry pack on arrival. Your entry pack includes your wristband which gives you 1 free entry to the museum – without your wristband, you will not be allowed free entry to the museum. Your entry pack will also include the opportunity for a free bacon or sausage roll, with tea or coffee, if you have registered for a test drive of a new Ford before 11am at the TrustFord gazebo at the front of the museum. The test drive can be completed at any point during the day, and TrustFord will donate £30 to Grampian Transport Museum Trust for every test drive completed.

You will not be given judging sheets this year – the judges will retain these and have the judging list. The judging criteria is based on 5 critical areas: Bodywork (including panels, paintwork, panel gaps, condition of glass etc); Chrome and Brass (all chrome and brass checked for condition and where there is neither: plastic trims, window rubbers); Wheels and Tyres (condition of both); Interior (complete interior including dashboard, seats, carpets, trim and roof, including boot) and Engine (cleanliness, tidiness of wiring, etc). Prizegiving will be at 3pm at the TrustFord stand – please join us, it might be you!

The museum's coffee cart will be open serving a variety of (very) reasonably priced hot drinks,

cold drinks, snacks and hot rolls. Please support the museum by visiting our gazebo if you can!

Please note:

- In the event of an emergency, please report to a marshal. First Aiders will be on site and clearly visible – see programme for details.
- There is an on-site speed limit of 10mph, please observe this at all times.
- Trailer parking: no trailers are allowed in the arena – please unload as directed by a marshal and move your trailer to the former Donside Tyres site which will be signposted on the day. Trailer security is the owner's responsibility; please ensure yours is adequately secured.
- There is no vehicle movement between 10.45am and 3.30pm, unless under the direction of the events team or a marshal. In the event of an emergency, please make yourself known to a marshal who will help if you need to leave.

Thank you for supporting AllFord, and we look forward to seeing you on Sunday!

Team GTM
