Hi Chris,

Please find attached the final minutes of our consultation meeting with Belinda Edwards on the Written Landscape Scheme (WLS) for the Chiverton to Carland Cross scheme. The WLS has been prepared in line with Requirement 5 of the A30 Chiverton to Carland Cross Development Consent Order 2020 (SI No. 121).

Also attached is Belinda's confirmation that the minutes are a true representation of the meeting.

Could you review the attached and confirm that the consultation process for the WSL can be closed out.

Many thanks and regards,

Sarah
