Please find attached the minutes of the meeting for your review and confirmation that they are an accurate representation of the meeting. Please could you provide your confirmation by close of play 10/08/2020?

As discussed today the purpose of the meeting was to close out the consultation process of the following documents in order for us to submit the discharge of requirements application to DfT for their approval and allow us to start on site in mid-September 2020.

Many thanks
Sarah
