

**HIGHWAYS ENGLAND COMPANY LIMITED
ROAD TRAFFIC REGULATION ACT 1984
THE A52 TRUNK ROAD (GAMSTON, NOTTINGHAMSHIRE)
(40 MILES PER HOUR SPEED LIMIT) ORDER 20XX**

STATEMENT OF REASONS

As part of a package of measures to improve the junctions along a length of the A52 in Nottinghamshire, which include signalisation and junction reconstruction, it is proposed to signalise Gamston Roundabout and provide new crossing facilities at the junction. For safety reasons, to slow traffic on the approach to the crossings, it is proposed to introduce a 40 miles per hour speed limit on the A52 approaches and circulatory carriageway of Gamston Roundabout.

Nottinghamshire Police have no objection to the proposal.
