PUBLIC NOTICE ABOUT APPEALS

NOISE INSULATION REGULATIONS 1975

M6 junctions 2 to 4 smart motorway

The *M6 junctions 2 to 4 smart motorway* was opened to traffic on **12 March 2020**.

Offers of insulation (double windows, perhaps doors, special ventilation and in some cases Venetian blinds) or an equivalent grant have been made to the occupiers (and/or landlords) of all residential properties which are believed to qualify under the Noise Insulation Regulations 1975. Maps showing these dwellings may be seen at **2 Colmore Square, Birmingham, B4 6BN** and <http://highwaysengland.co.uk/m6-j2-4>

Where no offer of insulation or grant has been made the Regulations give a right of appeal to the occupier or person entitled to occupy any dwelling or other residential property (such as an old people's home or hostel for long-stay residents), and to his/her immediate landlord or licensor (if any), where the dwelling or property is within 300 metres of the scheme. Any person who claims that use of the new improved length of road causes or is expected to cause noise greater than the level specified in the Regulations may appeal in writing to **Highways England, Major Projects Division, 2 Colmore Square, Birmingham, B4 6BN**. The appeal should set out the facts and request that an offer of insulation or grant be made in accordance with the provisions of the Regulations. This right of appeal must be exercised not later than **12 March 2021**.
