MAZEL TOV TO KINLOSS CHATANIM

MICHAEL KAMLISH
CHATAN TORAH MAIN SHUL

Originally from Streatham (which to some is considered a suburb of Brighton!!) Michael has been a member of Kinloss since 1991 and this year will be celebrating 30 amazing years of marriage to Yvette (originally from Lebanon via Brazil). Michael might be better known (and liked) for his chocolate connection although he mainly sells the machines for making chocolate and chocolates along with supplying tools, equipment & ingredients to pastry chefs, chocolatiers & bakers.

Michael and Yvette are both very involved in Kinloss – Michael having served on the Security team for over 30 years, screened many many films on Jewish Communities around the world as part of KLC, organised a student Friday night, relaunched the Kinloss Magazine, served on the Board of Management for several years and together with Yvette, helped run the specially month lunches until COVID.

According to Michael : "I am extremely overwhelmed by this incredible honour from a community I love. Kinloss is very special for many reasons – the people – the choice and variety of services – the incredible activity programme and of course the management team that makes it all happen."

ANTHONY WARRENS
CHATAN BEREISHIT MAIN SHUL

Anthony Warrens was born and brought up in Glasgow before moving south to train in Medicine, ending up specialising in kidney disease with a particular interest in kidney transplantation. He combined clinical practice (which he continues to enjoy) with research and teaching. His research looked at ways of increasing the number of organs available for transplantation through various approaches and he has spoken in numerous venues, including half the shuls in London (and one or two mosques and temples) on increasing organ donation for transplantation. Over the past twenty years, he has become increasingly interested in medical education and since 2010, has been Dean for Education at Barts and The London School of Medicine and Dentistry at Queen Mary University of London. This has brought him to the Royal London Hospital in Whitechapel, about two blocks from the house in which one of his great-grandmothers lived in the 1890s. Among many other activities in this role, he established a new medical school in Malta where he travels frequently. Such is the enthusiasm of colleagues to visit the new school, he is thinking of applying for membership of the Association of British Travel Agents.

From student days he was active in voluntary roles in the Jewish community, rising to Board level at Jewish Continuity then the UJIA. For nine years he was Chair of Council of the London School of Jewish Studies and for six, Chair of Governors of Immanuel College Bushey.

He is married to Ruth and their two children, Hilary and Richard, had their bat and bar mitzvah in The Minyan in Kinloss. He is now a regular in the Hashkama service. Although he has served a term on the Kinloss Board, having been a member of Kinloss for a little shy of a quarter of a century, he probably still counts as a newbie!

ARIE BLEIBERG
CHATAN TORAH IN HASHKAMA

I am hugely proud of being given this wonderful honour of being Chatan Torah in the Hashkama Minyan. Barbara and I joined Kinloss as a young married couple in 1975. Our 2 children attended the Children's Services, our daughter Ilanit had her Bat Chayil at Kinloss and our son Daniel Z"L also had his Bar Mitzvah at Kinloss under the auspices of Rabbi Bernstein Z"L. We now have three beautiful grandchildren Nathan, Sylvie and Talia.

I was on the Board of Management under the outstanding direction of Mr Freddie Fisher Z"L. I am a staunch supporter of the Hashkama Minyan for many years, the devout davening in which I lead regularly, its superb decorum and the friendly welcome of all participants make the Shabbat davening a truly uplifting experience.

I was born in Israel and served 3 years as a Paratrooper in the Israeli army. In 1966, I was wounded in a special operation against terrorism crossing the Jordanian border. In 1967, I fought in the 6 day war in the West Bank. After being released from the Army I came to England to study textiles and after marrying in Israel, we joined the Kinloss Community.

I greatly appreciate this honour bestowed on me and hope Kinloss continues to grow from strength to strength in the future.

SAUL FORMAN
CHATAN BEREISHIT IN HASHKAMA

Nina and I joined Kinloss shortly after we got married almost 26 years ago. We are blessed to have three children – Orli who is a midwife and recently got married to Gavriel Shaya, Jake who has made Aliya and is serving in the Israeli Army and Dov who has just started University in London.

We feel privileged to be part of the Kinloss community. I really enjoy davening in the Hashkama minyan which I have been part of since it began just over 20 years ago and am very grateful for this special honour

LORD DANIEL FINKELSTEIN

BOOK LAUNCH AND 'IN CONVERSATION' | **TUESDAY 31 OCTOBER, 8PM**

Daniel Finkelstein's family experience at the hands of the two genocidal dictators of the 20th century is one of miraculous survival. This is a story of love and murder. A story of how the great forces of history crashed down in a terrible wave on two happy families; of how it tossed them and turned them, and finally returned what was left to dry land. It's a story of brilliant ingenuity, great bravery, and almost unbelievable coincidences.

Daniel Finkelstein is a British journalist and opinion writer. A former Executive Editor of The Times, he continues to write for the paper. He has been Political Columnist of the Year four times and recently joined the board of Chelsea Football Club. He was appointed to the House of Lords in 2013.

Combat trauma doesn't end when military service is over.

In fact, it is often just the beginning.

Kinloss - Combat Veteran Israeli Soldiers / Peace of Mind Programme

"These are the soldiers who give Israel peace of mind. So friends, it is our duty to help them find their peace of mind." Rabbi Lord Jonathan Sacks zt"l

The Kinloss community is proud and privileged to be hosting 15 veteran Israeli soldiers between the 29th of October and the 5th of November 2023 who are participating in the Peace of Mind Programme.

About the programme:
Peace of Mind works with IDF veterans from high-risk combat units who trained together, fought together and served in the reserves together. The group we are hosting were involved in the 2nd Lebanon War in 2006, and served in Gaza. They tragically lost three members of their unit during this time. Led by two therapists, the programme consists of approximately 65 hours of group counselling and 12 individual sessions for those needing further care. The programme gives them the place and time to process their experiences.

A vital part of the programme is the week the group spends with Jewish communities abroad. The distance from Israel, and support of Jewish communities overseas, plays a key role in creating a safe, quiet, and supportive environment. Through hosting the veterans for the most intense phase of Peace of Mind, while showering them with love and appreciation, Jewish communities play an active role in shaping society by promoting a healthy transition to civilian life.

As well as hosting the group and helping to organise their itinerary for the week, we are asking our wonderful community to make donations to help cover the cost of this special programme.

Donations can be made through the www.kinloss.org.uk/peaceofmind

To find out more about the programme or if you have any questions please contact Shimon in the shul office on 020 8346 8551.
