TOLDOT | 27.11.24

**Contemporary Perspectives
on the Weekly Parsha with
Rabbi Dr Yoni Birnbaum**

**Wednesdays - 8.00-8.45pm
In-person at Kinloss
Open to everyone**

**This Week:
The Subtle Origins of Complex Conflict**

This Shabbat we are honoured to be addressed by Major Andrew Fox in the Sephardi Synagogue. Andrew served as an officer in the British Army from 2005-21, retiring with the rank of Major

After his active service, Andrew transitioned to academia, serving as a senior lecturer in the War Studies and Behavioural Science departments at the Royal Military Academy Sandhurst.

Andrew is an expert in the Middle East and holds degrees in Law & Politics, Modern War Studies and Psychology. His extensive experience and profound knowledge have established him as a recognised authority in his field.

He is a frequent commentator on defence and foreign policy issues across various media platforms, including the New York Post and the Telegraph, and recently spoke at the House of Lords. He has taken a particularly strong stance on the Israel-Hamas war, arguing from a military perspective that the international hostility directed at how Israeli forces in Gaza have operated is entirely unwarranted.

In Andrew's own words: 'I am currently raising funds for a comprehensive report into Hamas' fatality reports and I am happy to say I have been able to tear them to pieces.' Andrew will be speaking on the subject of the Israeli Arab conflict and the war we are currently facing.

Everyone is welcome to attend to Major Andrew Fox's speech at the end of the Services.

MONDAY FILM AFTERNOONS

The Boy in the Woods A true holocaust survival story of a young Jewish boy, who is determined to survive against all odds in Nazi-occupied Eastern Europe.

25 Nov

Bethlehem tells the story of the complex relationship between an Israeli Secret Service officer (Tsahi Halevi, 'Fauda') and his teenage Palestinian informant. Shuttling back and forth between conflicting points of view, the film is a raw portrayal of characters torn apart by competing loyalties and impossible moral dilemmas.

2 Dec

9 Dec

The Fabelmans Inspired by Steven Spielberg's own childhood, a coming-of-age story about a young man uncovering a shattering family secret. A timeless tale of heartbreak, healing and hope for the dreamer inside all of us.

16 Dec

The 1970's - Those were the Days (PART 2) 70's life was a kaleidoscope of colour - except for the food - from red, white and blue Silver Jubilee street parties to the Multi-Coloured Swap Shop on morning TV.
