

**HEALTH BASELINE**

## APPENDIX 12.1

# POPULATION AND HEALTH: HEALTH BASELINE

<b>Table-1: Population data (2015)<sup>i</sup></b>			
<b>Ward</b>	<b>Pop Aged Under 16 (%)</b>	<b>Pop aged 16-64 (%)</b>	<b>Pop Aged over 65 (%)</b>
Average for England	19	63.3	17.8
Polegate North	17	55.2	27.8
Polegate South	14	51	35.1
Willingdon	13.3	51.9	34.9
East Dean	11.4	52.1	36.6
Alfriston	10.7	46.8	42.5
Ouse Valley and Ringmer	17.3	55.5	27.1
Kingston	16.7	58.1	25.2
Lewes Bridge	16.6	64.5	18.9
Lewes Priory	20.3	60.3	19.5
Lewes Castle	20.3	61.6	18.1

Table-2 Health Data (Local Health Profile, 2016)

Ward	Life expectancy at birth for males	Life Expectancy at Birth for Males significant difference to Avg for England	Life expectancy at birth for females	Life Expectancy at birth for females significant difference to avg for England	Emergency Hospital Admissions COPD (Standardised)	Respiratory Disease as Cause of Death (Standardised Mortality)	Limiting Long Term Illness or Disability (%)	Long Term Illness or Disability Significant Difference to Average for England	General health bad or very bad (%)	General health bad or very bad (%) Significant Difference to Average for England
	2011-2015		2011-2015		2011/12 to 2015/16	2011-2015	2011	2011	2011	2011
Average for England	79.4		83.1		100	100	17.6		5.5	
Polegate North	79.5	Not significantly different	84.1	Not significantly different	65.7	99.9	25.3	Significantly worse	7.1	Significantly worse
Polegate South	83.5	Significantly better	87.2	Significantly better	65.7	68.5	27.2	Significantly worse	6.8	Significantly worse

Willingdon	81.9	Significantly better	84.5	Not significantly different	50.9	65.9	23.7	Significantly worse	5.7	Not significantly different
East Dean	82.2	Significantly better	86.7	Significantly better	43.2	66.5	19.2	Not significantly different	4	Significantly better
Alfriston	78.7	Not significantly different	87.2	Significantly better	43.3	76.2	24.3	Significantly worse	5.5	Not significantly different
Ouse Valley and Ringmer	80.5	Not significantly different	86.1	Significantly better	27.7	73.3	18.8	Significantly worse	4.9	Significantly better
Kingston	77.9	Not significantly different	89.3	Significantly better	34.9	68.4	16.5	Not significantly different	3.5	Significantly better
Lewes Bridge	80.4	Not significantly different	87.1	Significantly better	63.4	49.1	17.1	Not significantly different	4.8	Significantly better
Lewes Priory	82	Significantly better	84.8	Not significantly different	33.6	73.9	15.5	Significantly better	3.9	Significantly better

Lewes Castle	80.2	Not significantly different	85.7	Significantly better	63.4	83	17.4	Not significantly different	4.3	Significantly better
