THE HIGHWAYS ENGLAND (A27 TRUNK ROAD EAST OF LEWES IMPROVEMENT SCHEME) (BERWICK AND POLEGATE JUNCTIONS) COMPULSORY PURCHASE ORDER 2019 ("THE ORDER")

GENERAL VESTING DECLARATION NO. 2

COMPULSORY PURCHASE (VESTING DECLARATIONS) ACT 1981

I write in respect of the Order which was made under the Highways Act 1980 and the Acquisition of Land Act 1981 by the Secretary of State for Transport on 27 January 2020 and came into force on 28 February 2020 .

The Order authorises Highways England Company Limited ("**Highways England**") to purchase compulsorily land for the purposes of:

- (a) the improvement of the A27 Trunk Road;
- (b) the improvement of highways and the provision of new means of access to premises in pursuance of The Highways England (A27 Trunk Road East of Lewes Improvement Scheme) (Berwick and Polegate Junctions) (Side Roads) Order 2019;

(c) use by Highways England in connection with the improvement of highways and the provision of private means of access to premises as aforesaid; and

(d) mitigating the adverse effect which the existence or use of the highways proposed to be improved will have on the surroundings thereof.

The land in the Parish of Berwick and Polegate, in the District of Wealden in the County East Sussex, is described in the Schedule to the general vesting declaration.

The Order also authorises Highways England to acquire land, and interests in or rights over land, which is subject to the Order, for the purposes of the scheme.

Highways England has served notice of confirmation of the compulsory acquisition in respect of land in which we understand you have an interest, in accordance with section 15 of the Acquisition of Land Act 1981 ("the 1981 Act"). The confirmation contained a Statement of the effect of Parts 2 and 3 of the 1981 Act which provides an explanation of the process for and the effect of a general vesting declaration ("**GVD**"). The notice of confirmation was published in the Eastbourne Herald on 28 February 2020, and the same was served on you.

I am now writing to inform you that on 16 March 2020 pursuant to section 4 of the Compulsory Purchase (Vesting Declarations) Act 1981, Highways England executed a GVD and, on the vesting date, the land specified in the GVD will vest in Highways England.

Also displayed by way of service is a statutory notice specifying the land subject to the executed GVD and explaining the effect of the general vesting declaration ("the **Notice**").

We estimate that this will be on or around 22 June 2020 but we will write to you again shortly, to confirm the exact Vesting Date.

Please contact the Project Team at Bridge House, ,1 Walnut Tree Close, Guildford, Surrey, GU1 4LZ, if you require a copy of the Ministry of Housing Communities and Local Government’s Model Claim Form and guidance notes. This must be completed and returned within 21 days of the date this notice was posted.

Highways England recommends that you appoint a professional advisor (usually a RICS-qualified surveyor) with compulsory purchase experience to advise you in relation to any compensation you may be due.

If you do decide to instruct an advisor please send the enclosed notice and forms to them for review. If you have a valid claim, Highways England will usually repay your advisors reasonable and proper fees for completing the form and advising you on your claim.

Please note that the service of the enclosed Notice does not imply acceptance by Highways England that you have an interest in the land identified in the Schedule to the Notice. For the purposes of claiming compensation, it will be necessary in due course for you to demonstrate that you do own or have an interest in the relevant land.

If there is a dispute as to the amount of compensation to be paid, either party may refer the matter to the Upper Tribunal (Lands Chamber). In this situation, consideration will be given as to whether it would be appropriate to employ alternative dispute resolution techniques.

Please be mindful that, after the Vesting Date, you are required to give Highways England vacant possession of the land in the GVD. If you prevent Highways England from entering and taking possession of the land on the Vesting Date, Highways England may issue a warrant to a High Court Enforcement Officer to enforce possession. Highways England has the discretion to recover the costs of such enforcement from any compensation that may be payable to you.

If you require any further information about this notice, the CPO process or about the works to be carried out on the A27 pursuant to the Order, please contact the A27 Project Team at Bridge House, 1 Walnut Tree Close, Guildford, Surrey, GU1 4LZ or email A27EastofLewes@highwaysengland.co.uk

Notice After Making of the GVD

HIGHWAYS ENGLAND COMPANY LIMITED
NOTICE SPECIFYING LAND AND STATING EFFECT OF
GENERAL VESTING DECLARATION

THE HIGHWAYS ENGLAND (A27 TRUNK ROAD EAST OF LEWES
IMPROVEMENT SCHEME) (BERWICK AND POLEGATE JUNCTIONS)
COMPULSORY PURCHASE ORDER 2019

To: The owner, lessee or occupier of the land described in column 2 of the Schedule below and delineated and shown edged red and coloured pink on the attached plan

NOTICE IS HEREBY GIVEN that Highways England Company Limited (Company Number 09346363) ("**the Authority**") on 16 March 2020 made a general vesting declaration under section 4 of the Compulsory Purchase (Vesting Declarations) Act 1981 ("**the Act**") vesting the land described in the Schedule to this notice ("**the land**") in themselves as from the end of the period of 3 months from the date on which the service of the notices required by section 6 of the Act is completed.

The Authority will in due course tell you the date on which the service of the notices was completed.

The effect of the general vesting declaration is as follows:-

On the first day after the end of the period referred to in the first paragraph of this notice ("**the vesting date**") the land, together with the right to enter upon and take possession of it, will vest in the Authority.

Also, on the vesting date the Acts providing for compensation will apply as if, on the date on which the general vesting declaration was made (namely, 16 March 2020), a notice to treat had been served on every person on whom the Authority could have served such a notice (other than any person entitled to an interest in the land in respect of which such a notice had actually been served before the vesting date and any person entitled to a "minor tenancy" or a "long tenancy which is about to expire". These expressions are defined in Appendix A to this notice).

If the land includes any land in which there is a minor tenancy or a long tenancy which is about to expire, the right of entry will not be exercisable in respect of that land unless, after serving a notice to treat in respect of that tenancy, the Authority having served on every occupier of any of the land in which the tenancy subsists a notice stating that, at the end of a specified period (at least 14 days from the date of the service of the notice) they intend to enter upon and take possession of the land specified in the notice, and that period has expired: the vesting of the land will then be subject to the tenancy until that period expires, or the tenancy comes to an end, whichever happens first.

Schedules A1 and 1 to the Act contain supplementary provisions as to general vesting declarations. If a counter-notice is served under paragraph 2 of Schedule A1 within the period referred to in the first paragraph of this notice, the vesting date for the land which is the subject of the counter-notice will be determined in accordance with that Schedule.

The provisions of Schedules A1 and 1 are set out. These provisions are set out in Appendix B to this notice.

A copy of the general vesting declaration to which this notice refers and of the plan annexed to the declaration are attached and can also be inspected at:

DEFINITIONS OF "MINOR TENANCY" AND "LONG TENANCY WHICH IS ABOUT TO EXPIRE"

Definitions of "minor tenancy" and "long tenancy about to expire" - section 2(1) and (2) of the Act:

“**minor tenancy**” means a tenancy for a year or from year to year, or any lesser interest;

"long tenancy which is about to expire", in relation to a general vesting declaration, means a tenancy granted for an interest greater than a minor tenancy, but having on the vesting date a period still to run which is not more than the specified period (that is to say, such period, longer than one year, as may for the purposes of this definition be specified in the declaration in relation to the land in which the tenancy subsists).

In determining for the purposes of subsection (2) of section 2 of the Act what period a tenancy still has to run on the vesting date it shall be assumed-

(a) that the tenant will exercise any option to renew the tenancy, and will not exercise any option to terminate the tenancy, then or thereafter available to him,

(b) that the landlord will exercise any option to terminate the tenancy then or thereafter available to him.”

APPENDIX B

SUPPLEMENTARY PROVISIONS AS TO VESTING DECLARATIONS

A counter-notice under paragraph 2 must be served before the end of the period of 28 days beginning with the day the owner first had knowledge of the general vesting declaration.

4.

In a case where this Schedule applies by virtue of a general vesting declaration executed after a counter-notice has been served under paragraph 4 or 17 of Schedule 2A to the Compulsory Purchase Act 1965, that counter-notice is to have effect as a counter-notice served under this Schedule.

(2) But the acquiring authority may not decide to withdraw the notice to treat if the counter-notice was served on or after the original vesting date.

The authority must serve notice of their decision on the owner within the period of 3 months beginning with the day on which the counter-notice is served (“the decision period”).

8.

If the authority decide to refer the counter-notice to the Upper Tribunal they must do so within the decision period.

9.

(1) This paragraph applies if the acquiring authority do not serve notice of a decision within the decision period.

(2) If the counter-notice was served before the original vesting date, the authority are to be treated as if they had served notice of a decision to withdraw the notice to treat in relation to the land proposed to be acquired.

(3) The new vesting date for the land proposed to be acquired must not be before the original vesting date.

PART 3

DETERMINATION BY THE UPPER TRIBUNAL

Introduction

13.

This Part applies where, in accordance with paragraph 8, the acquiring authority refer a counter-notice to the Upper Tribunal.

Role of the Upper Tribunal

14.

(1) The Upper Tribunal must determine whether the severance of the land proposed to be acquired would—

- (a) in the case of a house, building or factory, cause material detriment to the house, building or factory, or
- (b) in the case of a park or garden, seriously affect the amenity or convenience of the house to which the park or garden belongs.

(2) In making its determination, the Upper Tribunal must take into account—

- (a) the effect of the severance,
- (b) the proposed use of the land proposed to be acquired, and
- (c) if that land is proposed to be acquired for works or other purposes extending to other land, the effect of the whole of the works and the use of the other land.

15.

If the Upper Tribunal determines that the severance of the land proposed to be acquired would have either of the consequences described in paragraph 14(1) it must determine how much of the additional land the acquiring authority ought to be required to take in addition to the land proposed to be acquired.

Effect of determination that more land should be acquired

16.

(1) This paragraph applies where the Upper Tribunal specifies in its determination that the acquiring authority ought to be required to take the whole or part of the additional land (“the specified land”).

(2) The general vesting declaration and any notice to treat (and, where applicable, the compulsory purchase order) are to have effect as if they included the owner's interest in the specified land.

(3) The Upper Tribunal must order a vesting date for— (a) the specified land, and

(b) any land proposed to be acquired which has not vested in the authority and for which no vesting date has been specified under paragraph 12.

(4) If the vesting date for the specified land is after the vesting date for any land proposed to be acquired, the Upper Tribunal's power to award compensation under section 7 of the Compulsory Purchase Act 1965 includes power to award compensation for any loss suffered by the owner by reason of the temporary severance of the land proposed to be acquired from the specified land.

Withdrawal of notice to treat following determination

17.

(1) This paragraph applies where—

- (a) the Upper Tribunal has specified in its determination that the acquiring authority ought to be required to take the whole or part of the additional land ("the specified land"), and
- (b) the vesting date in relation to the land proposed to be acquired has not passed, and
- (c) the vesting date in relation to the specified land has not passed.

(2) The acquiring authority may, within the period of 6 weeks beginning with the day on which the Upper Tribunal made its determination, withdraw the notice to treat in relation to the land proposed to be acquired together with the specified land.

(3) If the acquiring authority withdraws the notice to treat, the general vesting declaration is to have effect as if it did not include that land.

(4) If the acquiring authority withdraws the notice to treat under this paragraph they must pay the person on whom the notice was served compensation for any loss or expense caused by the giving and withdrawal of the notice.

(5) Any dispute as to the compensation is to be determined by the Upper Tribunal.

SCHEDULE 1

DIVIDED LAND

PART 2

RENT CHARGES AND TENANCIES

11.

- (1) Where land specified in a general vesting declaration is, together with other land not so specified, charged with a rentcharge, such proportion of the rentcharge as may be apportioned under section 18 of the Compulsory Purchase Act 1965 to the first-mentioned land shall, subject to sub-paragraph (3) below, be treated as having been extinguished by

virtue of Part III of this Act on the vesting of that land in an acquiring authority under that Part.

- (2) Where by virtue of sub-paragraph (1) above, a portion of the rentcharge is treated as having been extinguished, the provisions of section 18 of the Compulsory Purchase Act 1965 shall have effect as if the extinguishment had taken place under that section.
- (3) If, in the circumstances described in sub-paragraph (1) above, the person entitled to the rentcharge and the owner of the land subject thereto enter into an agreement to that effect, the said section 18 shall have effect as if, at the time of the vesting of the land in the acquiring authority under Part III of this Act, the person entitled to the rentcharge had released that land from the rentcharge on the condition mentioned in sub-section (2) of that section; and in that case no part of the rentcharge shall be treated as having been extinguished as regards the remaining part of the land charged therewith.
- (4) In this paragraph "*rentcharge*" has the same meaning as in section 18 of the Compulsory Purchase Act 1965.

12.

Where land specified in a general vesting declaration is, together with other land not so specified, comprised in a tenancy for a term of years unexpired, section 19 of the Compulsory Purchase Act 1965 shall have effect in relation thereto as if for references to the time of the apportionment of rent therein mentioned there were substituted references to the time of vesting of the tenancy in the acquiring authority.
