

## How to make a bat

**You'll need some building bricks for this project. Experiment with colour and the design - what different bats can you make?**

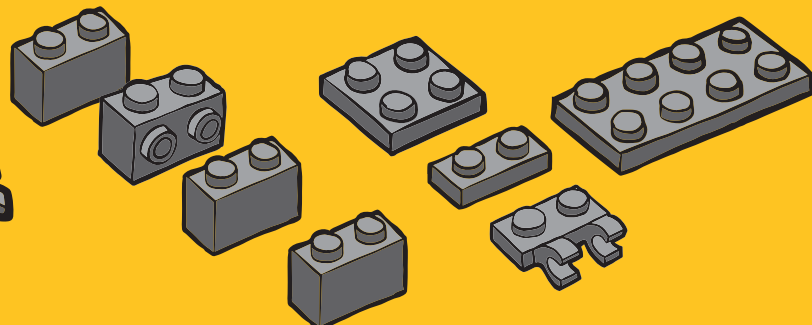

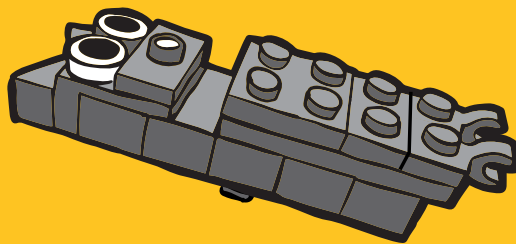

### Step 1 - make the head

**You will need:**

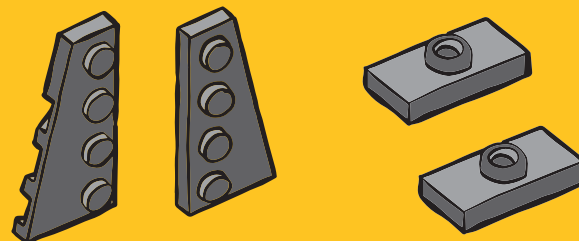

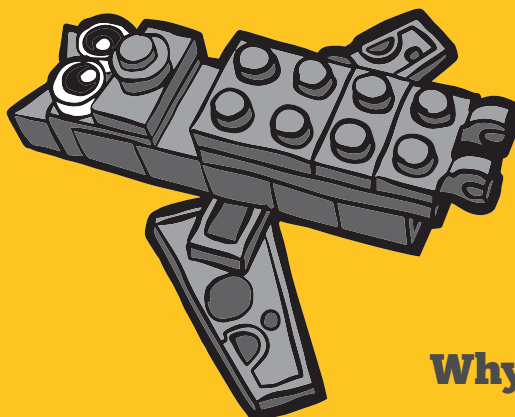

### Step 2 - make the body

**You will need:**

### Step 3 - add the wings

**You will need:**

**Why not make your bat a place to hang out?  
They live in trees, caves and bat boxes.**
