

STAIRWAY SAFETY

SCOTGRIP® HD KICKER TREAD® ANTI-SLIP STAIR NOSING

SCOTGRIP® HD Kicker Tread® anti-slip stair nosings incorporate the unique Scotgrip® high-traction anti-slip safety surface which gives a sound foot-holding in the most extreme conditions.

These heavy duty, tough and durable safety products are manufactured with a reinforced composite base and a graded aggregate anti-slip surface under BS EN ISO 9001:2015 quality-controlled conditions. As a Scotgrip® quality standard, these products are fire rated, spark and friction tested.

The Scotgrip® Kicker Tread® has all the same advantages of Scotgrip® stair nosings but has the added feature of a safety 'Kicker' incorporated at the read of the tread to prevent objects from being dropped or kicked over the back of it accidentally and falling below. These heavy duty safety products are easily fitted onto open grating/ grille, chequered plate/flat steel, concrete or wood.

- > ELIMINATES 'SLIPS AND TRIPS'
- > COST EFFECTIVE
- > HIGH TRACTION
- > TOUGH AND DURABLE
- > EASY INSTALLATION
- > FULLY GUARANTEED
- > ELIMINATES 'OBJECTS DROPPING FROM A HEIGHT'
- > REFLECTS POSITIVELY ON PERSONNEL PERFORMANCE
- > MANUFACTURED TO CUSTOMER SPECIFICATION
- > SPARK AND FRICTION TESTED
- > CARBON NEUTRAL ACCREDITED
- > FIRE RESISTANT

PRODUCT DESCRIPTION

Scotgrip® HD Kicker Tread® Anti-Slip Stair Nosing

CODE

KTS

FITTING DATA

Open grating/grille	Type 'S' Fixings (zinc or s/s) (Saddle clip assemblies)
Chequered plate/flat steel	Self-tap screws or nut, bolt and washer (zinc or s/s)
Concrete	HPS impact fixings (zinc or s/s)
Wood	Screws (zinc or s/s) or adhesive

METHOD

STANDARD SIZES (KTS)

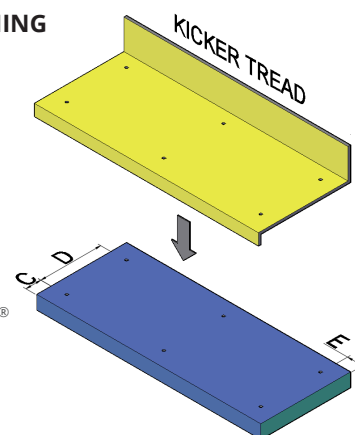

Breadth (or depth) of Step	Length
UP TO 200mm (8" approx.)	SUPPLIED TO THE EXACT LENGTH OF YOUR STEPS
UP TO 250mm (10" approx.)	
UP TO 300mm (12" approx.)	

We recommend our own fastening systems and adhesives for securing Scotgrip® HD anti-slip safety products.

FIXING HOLE POSITIONING

If fixing holes are to be pre-drilled the following information is required:

Stair tread to which Scotgrip® HD Kicker Tread® nosing is to be fitted to.

HIGH-TRACTION ANTI-SLIP

Kicker Tread® stair nosings will provide a sound foot-holding even in the most extreme conditions and will eliminate 'Slips and Trips' in your working environment.

SURFACE GRADES

Coarse grade: 1-3mm aggregate (1/16"-1/8" approx.)
Extra coarse grade: 3-5mm aggregate (1/8"-3/16" approx.)

HIGHLY VISIBLE

Colour coded in a wide range of colour schemes to suit individual locations. Colour codes are: safety yellow, black/safety yellow, black, green, grey, blue, red, white. Photoluminescent marking is available. Other colours available – please ask.

HEAVY DUTY

Kicker Tread® stair nosings are extremely durable and will remain highly effective for many years.

MANUFACTURED TO CUSTOMER SPECIFICATION

Kicker Tread® stair nosings are manufactured to your requirements as the tread needs to be fairly snug with the stairway stringers.

QUALITY – IT'S WHAT DRIVES US

All SCOTGRIP® HD/UHD safety products are manufactured under BS EN ISO 9001:2015 quality-controlled conditions using highly compatible raw materials at our manufacturing facility in Aberdeenshire, UK.

SAFETY 'KICKER'

A safety 'Kicker' is incorporated at the rear of the Kicker Tread® to prevent objects being dropped or kicked over the back of it to fall below. We recommend this upstand 'Kicker' to be at least 100mm (4" approx.) in height. We can increase/decrease this height to suit your requirements.

SAFETY MESSAGES/INFORMATION

SignAlert® can be added to any of our stairway products. Safety messages are proven to be an effective method of warning personnel of any hazards/hazardous areas they may be exposed to. Safety messages can be of any description and can even incorporate your company logo.

EASE OF INSTALLATION

Kicker Tread® stair nosings are designed for quick and secure fitting, either by mechanical fixings or bonding to existing surfaces. These products are pre-drilled where required for quick installation. Scotgrip® products are non-load bearing and must have a suitable underlying structure to be secured to.

OUR SUSTAINABILITY COMMITMENT

At SCOTGRIP®, we're really proud to have achieved carbon neutral status and we're proactively moving towards our target of zero waste. Our environmental ethos extends to everything we do, including our product innovation.
