**PETROFAC: LEVERETT CAN STRUCTURE
POST DECOMMISSIONING VERIFICATION TRAWL SWEEPS**

This is to certify that the MV "Ocean Trust" FR152 has carried out a post decommissioning seabed / trawl verification sweep of the Leverett CAN Structure **57° 58.691'N, 000° 31.696'E** and has found, using best endeavours and practice available, that there are no oil-related obstructions remaining that will affect current fishing activity in the defined area. At the time of these trials the swept areas were found to be safe for normal fishing operations.
