

Dear Liverymen and Freemen

The Master is delighted to announce an informal and friendly traditional Sunday Lunch with Champagne reception and wines on Sunday 17th October 2021 at Bakers' Hall.

Sean Bonnington Director of National Fundraising for ABF The Soldiers' Charity, one of the beneficiaries of the Lord Mayor's Big Curry Lunch will give an insight into the work of the Pain Management Programme at the King Edward VII Hospital.

From 2019 - 2021, the Lord Mayor's Big Curry Lunch focused the funds raised on a specific and worthwhile theme - employability. The Lunch provided financial support for veterans to take part in a programme designed to help prepare them for employment. This is in partnership with the King Edward VII Hospital's Centre for Veterans' Health and their six-month Pain Management Programme. The Lunch has funded, as part of The Soldiers' Charity grant-giving, up to 18 veterans on this programme from 2019 - 2021. Each place on the Programme costs £6,500 - so around £120,000 each year - which still leaves a significant sum out of the profits of the Lunch to fund other programmes that support employment and employability, as well as the wider work of the three National Service Charities. We will continue to fund the programme in 2022 as the initiative has been so popular with our supporters and sponsors.
