

To: All BHS members who attended the General Meeting on Saturday 5 January 2019 or who submitted a proxy vote.

Sent on behalf of the Chairman and Board of Trustees of The British Horse Society

Thank you to all the members who took the time to attend Saturday's General Meeting and to those members who submitted a proxy vote.

The business of the General Meeting was to discuss and vote on the proposed changes to The British Horse Society constitution.

Following the presentation regarding the proposed changes to the constitution members were given the opportunity to ask questions and responses were given. It became clear that those present felt that they would like more time to consider the information that had been provided, before voting on the proposed changes to the constitution. As was within their right the members in the room called for an adjournment of the General Meeting. Following a separate vote the meeting was adjourned.

A date for the reconvened meeting will be set and an announcement made to all members.

Prior to the start of the General Meeting, 12 members submitted a request for an additional General Meeting to be held, this was referred to as an EGM. Following the adjournment of the General Meeting, held on Saturday 5 January, and subsequent presentation and questions in the Members Meeting, the 12 members rescinded the request for a General Meeting. The 12 members felt that the way that the General Meeting had been conducted was positive and that more information on the proposed changes had been provided.

The notes from the General Meeting will be published in due course.

Best wishes

David Sheerin
Chairman of the Board of Trustees
