

The Bemrose Summer School

17th - 28th August 2020

Millie

"I enjoyed Summer School because I was the only one coming to Bemrose from my primary school and it gave me the opportunity to make new friends. My time at Summer School was great fun!"

Ofsted 2018

"There is much joy in this school. Pupils value their teachers, and the rich and diverse community in which they learn."

Learning together, working together, achieving together

Dear Parent/Carer

This summer The Bemrose School will be running a summer school initiative to support the transition from primary to secondary school. The aims of the summer school are:

- to improve the educational attainment of children, ensuring progress from primary schools is not lost in translation.
- to give teachers the opportunity to meet their new pupils.
- to allow pupils to see their secondary school environment.
- to offer a specific intervention to help pupils make a successful transition from primary to secondary education.

We are pleased to announce that the summer school will run from Monday 17th August - Friday 28th August 2020. It will be completely free of charge and all meals and equipment will be provided; all your son/daughter needs to do is arrive by 9.00am ready to learn and have fun!

The summer school will run from 9.00am to 3.15pm each day and will be filled with a wide range of activities and workshops. The mornings will have a strong focus on enhancing literacy and numeracy with a specific focus on developing reading. The afternoon

workshops and activities will be action packed and exciting. All sessions and workshops will be staffed by our teachers and it will be a wonderful opportunity to get to know some of them before September.

The Bemrose Summer School is going to be a fantastic two week experience and we look forward to seeing you there. If you would like your son/daughter to participate, please complete the consent form on the back page. The forms should be returned to The Bemrose School reception.

If you wish to discuss the Summer School further, ask more questions, find out more about what will be happening please contact me via email at transition@bemrose.derby.sch.uk. Please return the Parental Consent Forms via post or complete online on the transition page of the Bemrose School website <http://www.bemrose.derby.sch.uk/year-6-7-transition/>

I look forward to hearing from you.

Yours faithfully

J Dachtler
Assistant Headteacher - KS2 & 3

Maths and English Challenge - Each week the pupils will be given an exciting problem to solve. The pupils will need to use their literacy and numeracy skills to investigate the problem and find/present their solution!

- Food Chemistry - Pupils will make lava lamps using lemonade and grow their own giant gummy bears.
- Invisible writing - Pupils will write messages using chemicals and watch as their message becomes visible using acid.
- CSI History - The Iceman Mystery: pupils will need to use all their investigation skills to uncover the mystery of the frozen Iceman by the end of the day.
- Team building games and activities.
- Art - A fantastic practical workshop that looks at horror/sci fi film makeup.
- World literature and poetry.
- Computers/Games.
- A variety of sports including badminton/cricket/ table tennis/golf.

Each day consists of a number of 'learning sessions' and activity workshops. Below is 2020 Bemrose Summer School timetable.
