

The Bemrose School Year 6-7 Virtual Tour

Dear parents, carers and pupils,

This is an exciting time for you as you make choices about where you would like to start or continue your education. You will be looking at a school that can be your base for the next five, six or even thirteen years. You will be looking for a school that is interested in finding out about you and supporting you and your child through their important school career. You will also be keen to find out about the range of opportunities at all of the different schools nearby.

We appreciate that these times are not straight forward and we have looked to do all we can to give you a full view of our wonderful school. Please look at the school website or our twitter account @BemroseSchool to see all the fantastic work that goes on at the school. I am sure you will be wowed. We are also happy to do personal tours if you wish to see our school in person. My team would welcome this opportunity.

As part of your fact finding, I invite and encourage you to come and see for yourself what happens at The Bemrose School on our virtual tour. This online visit will provide videos that show you around our lovely listed building as well as giving important information about the school. There will also be an opportunity for me and my team to answer any of your questions about the school and what we offer. This might include our free instrumental tuition, our additional study and homework groups, our visits to the theatre and other places of interest, our school shows, our wide range of sports teams and clubs or our support and provision for learning in literacy, numeracy and social skills. You might want to meet our dedicated support staff or discover more about Elmtree, an example of our specialist provision for specific need - in this case for students who have a statement for autism.

Our School is growing across both phases in primary and secondary and £16 million of new building projects are planned to accommodate the increased demand we are having for school places. Come and visit The Bemrose School on our virtual tour and see for yourself what The Bemrose School is about.

Yours faithfully,

Nail Wilkinson

Mr N Wilkinson
Executive Head Teacher

The Bemrose School Virtual Tour

To take the virtual tour, please follow the simple steps below by clicking the pictures below.

1

Welcome to The Bemrose School, a 3-19 all-through school in the city of Derby with a proud history dating back to 1930.

2

Our Headteacher, Mr Wilkinson, warmly welcomes you to our school.

3

Beginning secondary school is an important time in a child's life. Meet parents and pupils who have recently joined our school and hear about their experiences.

4

Hear more about the exciting subjects you will study at our school and take a look inside our specialist classrooms.

5

Click here or email transition@bemrose.derby.sch.uk if you have any questions or would like to arrange a real-life tour of the school site.
