The wearing of hoodies as part of school uniform is not permitted. Pupils will be asked to remove any hoodies or jumpers being worn in class.

Uniform is an important part of school life as it creates an equality across all students and helps them prepare for working life. A smart uniform worn correctly can instil a sense of pride in all pupils about themselves and the school that they attend.

All pupils will be expected to have a bag including stationery. In the light of Covid 19, the borrowing of equipment will be limited so we will expect all children to be fully equipped for school.

We will be asking pupils who have consented to test for Covid and we provided all secondary pupils with a test at the term and we would encourage all to test before their return so we are all safe.

We look forward to welcoming all pupils back in September 2021 dressed in the school's uniform and equipped to work with their stationery Tuesday 7th September at 8.30am to their from room. In the meantime, please stay safe and healthy.

Yours faithfully

Neil Wilkinson
