The wearing of **hoodies** as part of school uniform is not permitted. Pupils will be asked to remove any hoodies or jumpers being worn in class. These will be confiscated until the end of the day and repeat offenders will have their hoodie or jacket confiscated until the end of the week or until parents attend a meeting.

Uniform is an important part of school life as it creates an equality across all students and helps them prepare for working life. A smart uniform worn correctly can instil a sense of pride in all pupils about themselves and the school that they attend.

Mobile phones and headphones [air pods] are only to be used appropriately in school for viewing pupil lesson timetables or were agreed by school staff. If phones or headphones are used, they will be

confiscated and stored in the safe to be returned at the end of the day. If pupils repeatedly abuse this, we will retain the phone until we have a parental meeting. We understand phones are a part of life, but these must not be a distraction to learning or school life.

Finally, can we ask that all pupils have bags and pencil cases so that they are equipped to learn in the classrooms and be the best learners they can be.

We look forward to welcoming all pupils back in after Easter dressed in the school's uniform and equipped to work with their stationery.

We look forward to seeing you in the near future. In the meantime, please stay safe and healthy.

Yours sincerely

Neil Wilkinson
