

Dear Parents and Carers,

## Home Learning Workshops

During our 'New to Year' meetings, you will have been introduced to our new home learning platforms and expectations.

We are offering the opportunity to come to one of our workshops and learn how to access the new home learning platforms and support your children with completing the tasks set.

During the workshop evenings, there will be ICT support and we are encouraging children and parents to come along to the evenings with the devices (laptops, iPads etc...) they will be using at home to complete the home learning tasks.

Dates and times of home learning workshops are detailed below:

Home Learning Workshops	Time	Date	Ran by	Where
<b>EYFS (class 1 &amp; 2)</b>	3.30pm	Thursday 22/9/22	Mrs Power	EYFS – classroom 2
<b>KS1 (classes 3,4,5 &amp;6)</b>	3.30pm	Tuesday 20/9/22	Mrs Sugden	Hall
<b>KS2 (classes 7,8,9,10,11,12,13 &amp; 14)</b>	3.30pm	Thursday 22/9/22	Mr Pass	Hall

We are hoping to see as many of you there as possible. We know that some may not be able to make the workshops, and, in those incidences, we will be creating video guides on how to use the new home learning platforms. The videos will be available during the following week.

Any questions, please ask a member of staff.

Yours sincerely,

Mrs Beecroft

Head of Primary
