The school Safeguarding Policy alongside the Visiting Speaker Policy sets out the school's approach to allowing providers into school to talk to our pupils.

Premises and facilities

The school will make the main hall, classrooms or private meeting rooms available for discussions between the provider and students, as appropriate to the activity. The school will also make available AV and other specialist equipment to support provider presentations. This will all be discussed and agreed in advance of the visit with the Careers Leader.

Providers are welcome to leave a copy of their prospectus or other relevant course literature in the Careers Section of the Learning Resource Centre, which is managed by the school librarian. The Learning Resource Centre is available to all students at lunch and break times.
