**Do you want to work at a GOOD school making strides forward looking to appoint teachers who can inspire, motivate and lead improvement?**

Governors wish to appoint a teacher into our strong and expanding maths team. ECTs are welcome and encouraged to apply for this role in a well-resourced department with strong STEM links.

***'Support for newly and recently qualified teachers is good. These teachers said that they valued highly the support they received and the developmental activities in which they are involved. Recently qualified teachers who were initially trained in the school have returned to a post here because, they said, they believe strongly in the school's ethos and that they feel able to 'make a real difference' to pupils'***
