Teacher of Food Technology – Temporary Maternity Cover

Required to start 1st April 2024 or sooner for at least 2 terms.

Do you want to work at a GOOD school making strides forward looking to appoint teachers who can inspire, motivate and lead improvement?

Governors wish to appoint a maternity cover into our strong and expanding Creatives team. ECTs are welcome and encouraged to apply for this role in a well-resourced department with strong STEM links.

'Support for newly and recently qualified teachers is good. These teachers said that they valued highly the support they received and the developmental activities in which they are involved. Recently qualified teachers who were initially trained in the school have returned to a post here because, they said, they believe strongly in the school's ethos and that they feel able to 'make a real difference' to pupils'

Ofsted March '18

We are looking for a teacher with:

- a real desire to make a difference to student outcomes in Food and possibly wider Creative/STEM subjects;
- a commitment to ongoing professional development and a passion to bring food and DT to life;
- the ability to enthuse our pupils about taking Food or DT forward as a career;
- the drive to work in a high functioning team;

The school is committed to safeguarding & promoting the welfare of children and young people and expects all staff and volunteers to share this commitment.
