Headteacher: Mr Neil Wilkinson

3—19 mixed comprehensive

NOR 1450 approx.

Teacher of Science

Required to start 1st September, 1st April 2024 or sooner

**Do you want to work at a school making strides forward looking to appoint teachers who can inspire, motivate and lead improvement?
A school that has recently moved from requires improvement to GOOD!**

Governors wish to appoint a teacher into our strong and expanding Science team. There is an opportunity going forward to teach to Post 16. ECTs are welcome and encouraged to apply. We have strong science links with STEM industries.

***'Support for newly and recently qualified teachers is good. These teachers said that they valued highly the support they received and the developmental activities in which they are involved. Recently qualified teachers who were initially trained in the school have returned to a post here because, they said, they believe strongly in the school's ethos and that they feel able to 'make a real difference' to pupils'
Ofsted March '18***

We are looking for a teacher with:

- a real desire to make a difference to student outcomes in Science and STEM subjects.
- the desire to learn and be a high functioning practitioner that brings science to life.
- the passion to take science forward for our pupils.
- the drive to work in a high functioning team in state-of-the-art facilities.

This is a very exciting opportunity where you can continue to **make a difference** within a well-established team. Continuing to raise the attainment and progress in science is a **part of our whole school** improvement.

The school is committed to safeguarding & promoting the welfare of children and young people and expects all staff and volunteers to share this commitment.

For an information pack and application form please go to **www.bemrose.derby.sch.uk**

**Closing date: Monday 5th February at 10am.
Interviews will be concluded by Friday 16th February 2024**

Please apply by letter of no more than 2 sides of A4 explaining how your experience to date has prepared you for this role and how you will develop learning and progress in science, together with a completed Bemrose application form.
