

# Year One—Spring 2 Every- day Materials

## What are we going to learn

This half term we will learn all about everyday materials including **wood, glass, plastic, metal, water** and **rock**. Children will learn to identify and name everyday materials and will have the opportunity to explore the properties of these materials. We will also carry out a simple investigations to help decide which material would be most suitable to use for an umbrella. Can you name the materials in the pictures above?
