

NW/LR/Lunch Costs

May 2025

Dear Parents and Carers

We hope you are all well and enjoying the warmer weather.

As you will be aware there have been considerable rises in the cost of living over a number of years. As a school we have always looked to keep our school meal costs as low as possible. Unfortunately, we will have to raise the price of a lunch by 5%, main meal with a dessert and drink, to £2.52 from £2.40 in secondary and primary from 1st June 2025. This increase is as a result of rising costs that we have no control over, we have always tried to keep lunch costs down and minimise passing costs on to pupils and parents.

We hope you understand that we have looked to resist this move for as long as we can, but financial pressures have meant we have had to make this minimal increase.

If parents have any queries about this please do not hesitate to contact the school on admin@bemrose.derby.sch.uk.

Yours faithfully

Neil Wilkinson
