The wearing of hoodies as part of school uniform is not permitted. Pupils will be asked to remove any hoodies or jumpers being worn in class.

Uniform is an important part of school life as it creates an equality across all students and helps them prepare for working life. A smart uniform worn correctly can instil a sense of pride in all pupils about themselves and the school that they attend.

All pupils will be expected to have a bag including stationery. We will expect all children to be fully equipped for school.

We will check all pupils on their return on Monday 5th January 2026. This will be ongoing and pupils who are not dressed or prepared for school with a bag will be managed accordingly and persistent refusal to follow the dress or equipment code will result in action on the school's part.

We look forward to seeing you after the winter break. In the meantime, please stay safe and healthy.

Yours faithfully

Neil Wilkinson
Executive Headteacher
