Dear Parents and Carers

I am pleased to say that we have had the gas leak which was discovered this morning isolated and repaired. This means that we will be open to all pupils on Thursday 15th January as normal.

We apologise for any inconvenience caused but I had to make the difficult decision this morning at 7.45am, when the gas leak was discovered, to close school. I appreciate, as a parent myself, how difficult this can be but I had to consider the safety of the pupils and staff when considering this, whilst also having a school with no gas supply and therefore no heating.

We look forward to welcoming all the pupils back to school.

Yours faithfully

Neil Wilkinson
