

LIVESTOCK DECLARATION

I hereby declare that animals included on the entry form overleaf comply with the following declarations:

1. They have been kept to a standard of husbandry consistent with the DEFRA Code of Recommendations for the Welfare of Livestock.
2. No illegal substances were used in rearing, and feedstuffs did not contain illegal substances or mixed at above legally permitted amounts.
3. The withdrawal periods of veterinary medicines used were observed before they are sold. If withdrawal periods have not expired, a Food Chain Declaration must be completed. The vendor will be liable for any costs incurred relating to non-declaration or rejected animals.
4. All records are retained for traceability purposes.
5. All calves have been examined by the owner and show no sign of notifiable diseases.
6. All calves have come from premises which have had no movement of FMD susceptible animals in them in the previous 6 days (other than permitted exceptions).
7. The movement complies with the relevant general license.
8. All movements comply with the relevant TB Regulations and vendors have checked the TB status of their holding
9. Calves must not be less than 10 days of age.
10. All calves must have two tags and the 12 digits of the ear tags are correct when presented. The vendor will be responsible for any cost associated with wrong tags.
11. All calves must be accompanied with the correct BCMS issued passport
12. No warranty over the effectiveness of any vaccination can be given or implied by the vendor or the collection centre.

I, being the owner or person in charge of the animals above, declare that:

- (a) the information regarding the dates of birth, ear tag number and description is correct
- (b) the animals that I have submitted into the collection centre are to the best of my knowledge healthy and in fit condition and do not show any signs of disease and that the holding is not under any restrictions
- (c) in the cases of calves less than 12 weeks old, either none have been presented at a Market before, or one or more has been brought to a Market only once during the previous 28 days.
- (d) all listed calves have completed the specified withdrawal period from any medical treatments, unless stated to the contrary on a completed Food Chain Declaration
- (e) all animals comply with the "Livestock Declaration"
