Archivist Job Description

Introduction

Chigwell School is seeking to appoint an experienced Archivist responsible for the maintenance, conservation, cataloguing and interpretation of the School archives, which are currently held offsite. This is a part time position.

Background

Founded in 1629 by Samuel Harsnett, the son of a Colchester baker who went on to become Archbishop of York, Chigwell School stands on its original site with the original school building still in use. However, whilst Chigwell of today is conscious of its long-standing history, it is a forward-looking, ambitious, coeducational independent school of 1,040 pupils aged four to eighteen. It enjoys excellent facilities, a dedicated staff, bright and hardworking pupils, and a site of 100 acres.

Chigwell School is located in the picturesque village of Chigwell just over ten miles from central London and on the Central Line. The extensive, beautiful grounds are close to the edge of Epping Forest and it is rare for a school to have so much space and yet be so close to the centre of the Capital. Most pupils are day pupils but in the Sixth Form, there is a small community of international boarders, roughly thirty from sixteen countries, and these live in four small boarding houses.

As well as being an academic school, Chigwell has the reputation for providing a rich and full education, with plenty of opportunities for all pupils who are enthusiastic, co-operative and able. Chigwell is a caring and friendly school, with a close sense of community, not least between colleagues. As the Good Schools Guide reports: *Academically, pupils are put through their paces but it all seems to be done in such a civilised and pleasant manner that you are more likely to hear pupils talk about opportunities and prospects than pressure and stress. "Anyone who wants to do well here, will do well" said one student, "and I can't think of a nicer place to succeed."*

The School Development Programme

Over recent years, the School's facilities have been extensively developed in order to enhance the educational experience that pupils receive. The development programme has included the following additions:

- 2008 Wilson Building teaching block
- 2008 Floodlit AstroTurf pitch
- 2009 Junior School library extension
- 2010 Complete redevelopment of catering facilities
- 2010 Harsnett's and Church House converted into boys' boarding houses
- 2012 The Old Chigwellian Club and land was incorporated into the school estate
- 2013 Pre Prep School completed and opened
- 2013 Two new science labs created
- 2014 Drama Centre balcony extended to provide additional music and drama rehearsal space
- 2016 The Risham Sarao Sixth Form Centre completed and opened
- 2017 Extension of Dining Hall
- 2018 Renovation of the Chapel
- 2019 Extension of Junior School
- 2020 3G football pitch constructed
- 2021 New Sports Centre (underway)

The Governors have recently agreed a development masterplan and the next priorities on the School's development plan are to:

- Further expand our provision of bursaries
- Expand the facilities for music

The School

Some pupils join Chigwell School in Reception and there are two classes in each of the three Pre Prep year groups. A small number of children join the Junior School at 7+ (Year 3) and there are three classes in each of the KS2 year groups. At 11+ (Year 7), there is a further entry with four or five classes making up Years 7 to 11. Again, there is a small entry into the Sixth Form. Entry at each stage is selective and although there are three main sections to the School (Pre Prep, Junior School and Senior School) these sections work closely together and there is a common ethos running throughout.

There are over a hundred teachers and together with the support staff, there is a friendly, mutually-supportive atmosphere. We place considerable emphasis on life outside the classroom and believe that the opportunities that we provide help to fulfil our Vision: To inspire our pupils to fulfil their potential and forge their path to success. The School Values are:

- Happiness First
We create a nurturing space where happiness underpins our achievements and drives us forward.
- Courageous and Resilient
We seize opportunities all around us and have the confidence to embrace them wholeheartedly.
- Innovative Approach
We adapt and evolve, influencing our changing world.
- Community of Kindness
We support and collaborate with each other, making a positive contribution to the community.
- Lifelong Learning
We cultivate curiosity, keeping the passion for learning alive beyond the school gates.

School History and its Archives

Chigwell School can be dated back to 1619, when Samuel Harsnett, later Archbishop of York, first purchased a piece of land for £16 10/-, for the purpose of building a schoolhouse. Both the Latin and English schools were formally founded in 1629, with the Archbishop declaring in one of the founding Ordinances: "...that I more affectionately desire that the poor Scholars of my Schooles bee nurtured and disciplined in good manners, than instructed in good Arts, And therefore I charge my Schoolemasters respectively, as they will Answer ytt to God and good Men, That they bring upp their Schollers in the feare of God, and reverance towards all Men: That they teach them obedience to their Parents, Observance to their Betters, entlenes and Ingenuity in all their Carriages, And above all, That they chastise them severely for Three Vices, Lyeing, swearing and filthye speaking, That menn seeing the buds of virtue in their youth May be stirred upp to blesse them and to praise God for their pious Education.'

The Archbishop also stipulated that the Latin Master was to teach 'gratis' eighteen boys from the local area and that the English Master was to teach all Chigwell parishioners 'that shalbe sent unto him.'

In 1868, a new building led to the School being split into two sections. The English section for local children studying arithmetic, reading and writing was housed in the new building behind the King's Head public house. The Latin section (for Latin Scholars only), remained in the original building on the other side of the High Road. Rather unusually for a boys' school at that time, in 1876, it started a bursary programme for girls to attend other schools.

The spiritual centre of the School, the War Memorial Chapel, was dedicated by the Bishop of Chelmsford on 10th October 1924 to the seventy-eight former pupils and one Master who died in the Great War and on each side of the altar, plaques record the names of the dead. There were only a total of eighty boys attending the School in 1914.

In 1979 builders found a tunnel from the oldest part of Chigwell School towards the Kings Head Inn nearby. In the tunnel were several trunks of archive material; deeds, books or Governors' minutes and letters. Sorting and cataloguing these began the School's Archive Collection. Since then many more archives have been collected from medieval deeds, quilled letters and bones, to medals valiantly won, cartoons, news cuttings and photographs. We have a rich social history of the School and its surroundings and can follow its development from a single large classroom for a few classics students, who in 1658 included William Penn, through its expansion to incorporate an English School for village boys into the thriving co-educational public school it is today.
