ZI "La Marinière"

34-36, rue Gutenberg - B.P. 32

91071 Bondoufle Cedex / France

TEL : 01.60.86.85.32.

UPDATE: June 2013

IDENTITY

SPECIALITY

CAS N°: N.A.

EINECS N° N.A.

ODOUR

Amberlike

APPEARANCE

Brown to reddish

Pasty

PERFUMERY USAGE

Replaces Amber gris tincture. A 1% solution of Ambrarome Absolu is equivalent to a 2,5% Amber gris tincture. Very widely used as fixative, this product also contributes to the development of fragrance notes. It can be used at 0,5% - 3% in a compound. 1gr per 40 litres of Ethanol gives to ethanol a round note.

SPECIFICATIONS

SAPONIFICATION VALUE: 140 to 180
