

Plan your adventure

28 March to 22 May 2026

Start from Ambleside, Bowness or Wray piers.

You'll need 4-5 hours to complete the full circuit. This includes a 4.5 mile (7.3km) walk and three cruises:

- Red Cruise (south to Bowness)
- Green Cruise (Wray to Ambleside)
- Car ferry to the start of the walk

- Recommended start times from each location to complete the route.
- ▶ Check times - can you complete the circuit?

We recommend doing the Walker's Ticket in an clockwise direction at this time of year- you won't get stranded if Car Ferry closes unexpectedly.

The easy-to-follow path is mostly level and is suitable for off-road pushchairs.

Leave extra time to visit National Trust attractions Wray and Claife Viewing Station. Joey's Cafe is at both sites.
