PORTER RECOMMENDS

Voyages of a Lifetime

1. **BLUE BIRD, THE MEDITERRANEAN**
Commissioned for adventure by daredevil Sir Malcolm Campbell in 1938 and now restored to its former glory – but with modern comforts – by Tara Getty, the Blue Bird's elegant profile can be seen cruising the Med this summer. cecilwright.com

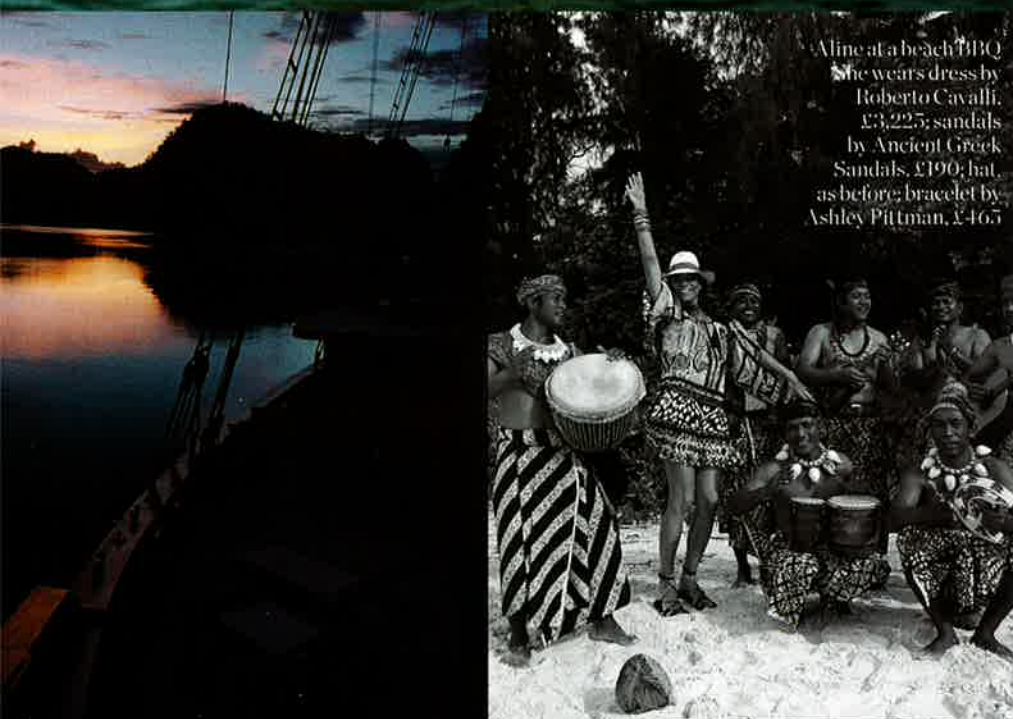

2. **VERA, THE AMALFI COAST**
If you like the idea of swashbuckling in Sorrento, consider this magnificent tall ship, first launched in 1880. Replete with original features and refined interiors, Vera parades the coast courtesy of the Grand Hotel Cocomella. cocomella.com

3. **BELUGA, THE ADRIATIC**
Interior design guru Anouska Hempel's beloved 28-meter 'Turkish gulet, Beluga, has cocooned rock stars and royalty in its immaculate style. She glides between Croatia's islands with a butler and chef from Blakes Hotel. nouskahempeldesign.com
