

Cape 31 - MED Round 5

Measurement Notice

Event Technical Committee

The Technical Committee in racing rule 92 for the Cape 31 fleet is:

Adam Parry (On-Site)

Andy Wibroe, Cape 31, International Technical Officer (Remote)

Executive Committee Delegation

In accordance with class rule B.2.1(e), the Cape 31 Class Authority has delegated the Technical Committee the following responsibilities that would otherwise be discharged by the Class Authority.

Rule	Description
C.2.1(c)	Changing of crew during an event
C.2.3(f)	Ability to waive the category 1 requirement for a part owner or alternate helm.
C.2.3(g)	Approving a temporary alternate helm.
C.5.7(a)	Haul out restrictions

Cape 31 Executive Committee.

Alternate Helm Requests

Boat	Request	Class Rule	Status
Stella Maris (#65)	For Marcus Brennecke (GERMB148) to helm.	C.2.3(g)	Approved

As per Class Rule C.2.2(c), the scales to be used for crew weighing will be available on request to the Technical Committee and have been made available before racing with location communicated over the circuit Telegram.

Andy Wibroe, Technical Committee
