

Notice 23 April 2026

Date: Thursday 23rd April

Time: 11:00

The Race Committee intends to depart the harbor at 1200 hours in preparation for a scheduled first warning signal at 1400 hours.

The starting sequence will consist of a series of practice starts. The first start, scheduled for 1400 hours, will be abandoned shortly after the starting signal. A second practice start will follow and will likewise be abandoned. The third start will be the official practice race and will not be abandoned.

Competitors are reminded to ensure that their Vakaros units are updated to the latest firmware version 30.4 and that the correct serial number is registered in CMS prior to racing.

We will notify you on the whatsapp group when the race committee is leaving and when we have further details of the race course.
