Proposed Cape 31 MED Circuit 2027

The Cape 31 MED Owners Committee are planning further ahead to give teams more certainty when building their campaigns. The aim is to minimise complicated travel while keeping the circuit fresh, exciting and visiting some of Europe's best sailing venues.

2028 - Spain & Portugal

The circuit is planned to head west to Spain and Portugal, with venues likely to include Palma, Barcelona and Valencia, before finishing the season in Cascais.

2029 - Italy & Croatia

A return to Italy combined with a move into Croatia, bringing new venues and race tracks into the Cape 31 MED calendar.
