

Our Price Match Promise

If you find a cheaper 'like for like' quotation, we'll try and match it. If we can't, we'll buy you lunch. If we can, and you place an order with us, we'll buy you Dinner!

Our aim is always to deliver competitive pricing along with award winning Customer Service. However, with over 10,000 vehicles available to quote on, there's always a possibility that we'll miss a deal!

Here's how it works:

First you will need to provide us with a like for like quotation from a competitor. Simply email it through to your Dedicated Concept Account Manager and we'll have a go at matching it on a like for like basis. If we're unable to match the quote, we'll send you a £10 voucher for 'The Restaurant Choice' for giving us the opportunity. If we can match it and you place an order with us for the vehicle, we'll send you a £25 voucher for the 'Restaurant Choice' as a thank you for the business.

Vouchers for 'The Restaurant Choice' can be used towards the cost of meals at favourite restaurants including Nando's, Pizza Express, Café Rouge and many more!

What else do I need to know?

Our Price Match Promise only applies to current UK specification cars, commercial vehicles and excludes 'Pre-Current' models. We must receive a copy of the written / formal quotation from a competitor leasing company, leasing broker or franchised dealership which should be in a quote / order format. Quotes provided in written e-mail format are excluded. 'Like for Like' means the identical vehicle specification, options, contract term, initial / advance rental, monthly rental, VAT, and contract mileage. Excess Mileage rates are excluded from our Price Match Promise.

If we are unable to match the quote, we'll send you a £10 voucher for 'The Restaurant Choice' within 28 days from our written confirmation (usually via e-mail) that we have been unable to match. If you choose to proceed with an order on a matched (or unmatched) quote, we'll send you a £25 Voucher for 'The Restaurant Choice' within 28 Days from point of order.

We reserve the right to amend or substitute the voucher without notice. No cash alternative. E&OE.
