A mini-series on technology for malignant purposes and cybernetic responses that might help

In a room where people unanimously
maintain a conspiracy of silence, one word
of truth sounds like a pistol shot.

Czesław Miłosz *The Captive Mind* (1953)

‘The most dangerous threat we individually and as a society face today is no longer military, but rather the increasingly pervasive exposure of our personal information; nothing undermines our freedom more’

**Michael Chertoff, former Supreme Court
Judge and 1st Secretary of US DOHS.**
