The Government's new code of practice with the commercial sector to boost the High Street

Please see below the link below which details the following points - regarding the Government's new code of practice with the commercial sector to boost the High Street:

- The government is working with leading businesses and trade associations to publish a code of practice to support high street businesses through coronavirus
- Code will help guide and encourage all parties to work together to protect viable businesses and ensure a swift recovery
- UK Finance confirms lenders continue to show flexibility
